

November 2010

Dear Theatre Family,

As we celebrate 75 years of *Entertainment for Generations*, we are grateful for an opportunity during this “season of thanks” to reflect on our successes and say “thank you” to each of you. You believed in our mission - entertaining, inspiring, and building dreams for 75 years and your support brought our dreams to life!

You are part of something rare – an adventurous community that values inventive, daring and inspiring art – and you’re helping make Topeka Civic Theatre & Academy a whole world of wonder right here in your community through the magic and culture of the performing arts.

The legacy that has been passed down over 75 years has allowed the children and adults in our programming an opportunity to explore and learn valuable life-long skills. Can you imagine if our next generation of actors, volunteers, and audiences did not have a safe, creative place to work and be inspired? In spite of our wonderful history and current success, we struggle each year to make our budget. Funding to support our programs is becoming challenging.

With adequate funding, there are a number of important projects and programs we’d like to accomplish this season. Please help us continue the momentum of 75 years of *Entertainment for Generations* by taking a moment right now to consider a tax-deductible gift to TCTA to one of the following destinations:

- \$ _____ School Outreach fund
- \$ _____ Ladies Room Plumbing upgrade
- \$ _____ Staff Wish List
- \$ _____ In Honor of or In Memory of _____.
- \$ _____ TCTA Academy Co-Producer Fund (minimum of \$500)
- \$ _____ Other

Fiddler on the Roof

To learn more about these projects and programs or to make a gift online, we invite you to visit our website at www.topekacivictheatre.com, and read our weekly EBLAST. You are always invited to call Development Director Linda Falley personally with any questions or to learn about our needs.
